

## My Horse Must Lose

### The Sound of Animals Fighting

Look! Look! Look up in the sky!  
I've seen my destiny!  
My horse must lose, hahaha!

Our house is a house that moves just like the Ocean  
Just like the Ocean

My angel, Empathy  
Drawn me beneath her wings, want slender fingers  
Of our home's to feather leaf  
Mother is a mouth upon  
My neck, a pink bird  
Swoon in the belly  
And I don't wanna sing, I don't wanna say no  
I don't wanna sing, I don't wanna say no  
Luck today, my brother, gorgeous he will lay in gems  
I don't wanna say no  
Luck today, my brother, gorgeous he will lay in gems

These words are simply small black statuarities  
Between you and me, I don't wanna sing  
I don't wanna say no  
I don't wanna sing, I don't wanna say no  
Luck today, my brother, gorgeous he will lay in gems  
I don't wanna say no  
Luck today, my brother, gorgeous he will lay in gems

Okay

I will answer your voice, directly.  
It's the sound of my breath.
