

My Horse Must Lose

The Sound of Animals Fighting

Look! Look! Look up in the sky!
I've seen my destiny!
My horse must lose, hahaha!

Our house is a house that moves just like the Ocean
Just like the Ocean

My angel, Empathy
Drawn me beneath her wings, want slender fingers
Of our home's to feather leaf
Mother is a mouth upon
My neck, a pink bird
Swoon in the belly
And I don't wanna sing, I don't wanna say no
I don't wanna sing, I don't wanna say no
Luck today, my brother, gorgeous he will lay in gems
I don't wanna say no
Luck today, my brother, gorgeous he will lay in gems

These words are simply small black statuarities
Between you and me, I don't wanna sing
I don't wanna say no
I don't wanna sing, I don't wanna say no
Luck today, my brother, gorgeous he will lay in gems
I don't wanna say no
Luck today, my brother, gorgeous he will lay in gems

Okay

I will answer your voice, directly.
It's the sound of my breath.
