

# Desire

## The Sound

In the dark  
Near the heart  
Close to real  
Desire.

In my words  
In my eyes  
Can't you feel  
The desire?

We will wait  
For the night  
We will wait  
For desire.

Bittersweet  
Laugh and cry  
Tears that taste  
Of desire.

Hunted down  
Through the days  
Caught in nets  
Of desire.

Feel the loss  
As it fades  
Can't forget  
Desire.

Keep in touch  
Keep in track  
Of this thing  
Called desire.

There'll be times  
When we'll do  
Anything  
For desire.

Keep in touch  
Keep in track  
Keep within the reach  
Of desire.

There'll be times  
When we'll do  
Anything  
For desire.

We will wait  
For the night.  
We will wait
