

Jeopardy

The Sound

We are young
But are we strong?
We've held out
For so long.

Now we're in
Jeopardy.
Now we're in
Jeopardy, jeopardy.

We knew our
Ideals were high.
The lower we sink,
The less we care why.

I know we're in
Jeopardy.
I know we're in
Jeopardy, jeopardy.

Lost the will
To keep up the pace:
Dead on my feet,
Defeat on my face.

I know I'm in
Jeopardy.
I know I'm in
Jeopardy, jeopardy,
Jeopardy, jeopardy.

Such a slow
Steady slide
Takes away
So much inside.

And what's left?
Jeopardy.
What's left?
Jeopardy, jeopardy
