

Ehy to the hyper..x8
Ehy to the hyper folk

Last night I went to the discoteque
where I have learnt a brand new dance
I think it's easy and fun to do
I tell you what you have to do

walkin' on the dance floor
watching on together
movin' with your arms now
going back and forth

walkin' on the dance floor
watching on together
movin' with your hands now
going up and down

everybody's movin' on
with the rhythm
it's going on
back and forth
up and down
dancing to the sound
