

## Living In Your Head

The Soundlovers

Look at me  
I am going away  
You can't stop me  
I'm flying away  
Coz I know  
You don't love me no more  
You can't hurt me  
Not anymore  
Look at me  
I am going away  
You can't stop me  
I'm flying away  
But I know  
I will be in your head  
Everytime  
Until you will go mad

I'm the voice in your head  
Everyday I will be there  
If you cannot stand it,  
I don't care  
I'm the voice in your head  
Everyday I will be there  
Coz I'm living,  
Living in your head-ead-ead
