

# We Wanna Party

The Soundlovers

We wanna party  
Clap your hands move your body  
so get up now  
and never dance apart  
we come together

We wanna party tonight  
We wanna do it with you forever  
Let's go my friend  
Come on clap your hands together  
We wanna party tonight  
We wanna have lots of fun, go on!  
So let's go ok  
Come on now and say "uohh"

Say "Hey" ... hey  
Say "Ooh" ... Ooh  
Clap your hands and say "uohh" (4x)

We wanna party  
Clap your hands move your body  
so get up now  
and never dance apart  
we come together (2x)
