

# Animal

## The Sounds

One, two, three, four, walk alone,  
Like an animal, like an animal,  
You lay your hands on everyone you know,  
Like an animal, like an animal.

No, no, yeah, yeah  
No, no, yeah, yeah

It's getting hotter every day, every day,  
I'm still right here, but it's getting harder to stay,  
'Cause I've seen you walking out the door,  
Just being irresponsible,  
I just can't take it, I can't take it no more.

One, two, three, four, walk alone,  
Like an animal, like an animal,  
You lay your hands on everyone you know,  
Like an animal, like an animal.

No, no, yeah, yeah,  
No, no, yeah, yeah.

Oh no, I can't take it,  
Anymore, anymore, anymore.

You make me crazy with, these games that you play,  
Don't count on me, 'cause there's some rules you don't break,  
So I've seen you crawling on the floor,  
I've seen you crying out for more,  
I just can't take it, I can't take it no more.

One, two, three, four, walk alone,  
Like an animal, like an animal,  
You lay your hands on everyone you know,  
Like an animal, like an animal.

All I really want from you,  
Fall in love with me, fall in love with me (yeah).

Cut me up, why can't you see?  
Fall in love, fall in love, fall in love with me.

Oh no, I can't take it,  
Anymore, anymore, anymore.

One, two, three, four, walk alone,  
Like an animal, like an animal,  
You lay your hands on everyone you know,  
Like an animal, like an animal.

All I really want from you,  
Fall in love with me, fall in love with me (yeah).

Cut me up, why can't you see?  
Fall in love, fall in love, fall in love with me.

One, two, three, four, walk alone,

Like an animal, like an animal,  
You lay your hands on everyone you know,  
Like an animal, like an animal.

All I really want from you,  
Fall in love with me, fall in love with me (yeah).

Cut me up, why can't you see?  
Fall in love, fall in love, fall in love with me (yeah).
