

# Hurt the Ones I Love

## The Sounds

With you by my side  
I know it will be all right  
We'll have the time of our lives  
As we drive into the night

You've been tried and you've been tested  
It was wrong that you got neglected  
I know it's hard but you gotta see  
That you ask too much from me

I always hurt the ones that I love

Let me show you why  
I've been so troubled inside  
It's like I can't make up my mind  
I think about you all the time

You've been tried and you've been tested  
It was wrong that you got neglected  
I know it's hard but you gotta see  
That you ask too much from me

I always hurt the ones that I love

Sometimes it feels like something is wrong and that you don't underst  
and me  
And I know how you feel and I don't wanna be the one who lets you dow  
n

I always hurt the ones that I love  
I always hurt the ones that I love

[Break]

Why do I always hurt the ones that I love?  
Why do I always hurt the ones that I love?

I've tried so hard, I've tried so hard  
But I can't let you go, I can't let you go  
I've tried so hard, I've tried so hard  
But I can't let you go, I can't let you go

[Break]

Sometimes it feels like something is wrong and that you don't underst  
and me  
And I know how you feel and I don't wanna be the one who lets you dow  
n

I always hurt the ones that I love  
I always hurt the ones that I love
