Panic

The Sounds

Underworld's going to take you, punch your dreams, destroy your future The devil's coming back upon you Hide your children he's above you Something just ain't right, I can see it in your eyes, cause yo u're crazy The devil's coming back to get you So gratitude ain't nothing for you So wake up you're wrong Nothing's on your back so why fight it. Breathing down my neck I can't believe, this is sick, what do y ou want from me? Hungry like a rattesnake, you know I'm gonna make it great The devil's coming back upon you Hide your children he's above you So wake up you're wrong Nothing's on your back so why fight it (2x) Something just ain't right, I can see it in your eyes, like pan ic panic panic panic (2x) So wake up you're wrong Nothing's on your back so why fight it (3x) Why fight it So why fight it
