

Weekend

The Sounds

Everyday I think about you
I'm losing my mind
I wish I was there
With you anywhere

Every time I hear your voice
It's like a beautiful song
Well we belong
Together, forever

I live for the weekend, baby
I live for the weekend, baby
If you're wondering what it's like to be me
I live for the weekend, baby

I live for the weekend, baby
I live for the weekend, baby
If you're wondering what it's like to be me
I live for the weekend, baby

(Ha ah ah ah)

Oh sometimes, when I'm sitting all alone
Waiting for you
As the days pass me by
I ask myself why

Cause every time I hear your voice
It's like a gift to my ears
You conquer my fears
I fight to hold, hold back my tears

I live for the weekend, baby
I live for the weekend, baby
If you're wondering what it's like to be me
I live for the weekend, baby

I live for the weekend, baby
I live for the weekend, baby
If you're wondering what it's like to be me
I live for the weekend, baby

(Ahhhhhhhh)

I live for the weekend, baby
I live for the weekend, baby
If you're wondering what it's like to be me
I live for the weekend, baby

I live for the weekend, baby
I live for the weekend, baby
If you're wondering what it's like to be me
I live for the weekend, baby

(Ooooh, Ahhhhhh)
