### The Soviettes

A fifty dollar bill says it'll beat you  
Out from underneath you, its taking everything that you've work  
ed for, and you know it  
I see you around downtown  
It never leaves you  
Purchase or a "trade"-you're getting deeper  
And if you can pull yourself out of this one-wow Shelly Shelly  
I know you say that it never gets you down S.S.  
And that you know it would never push you around S.S.  
You think that you can maintain this lifestyle now S.S.?  
Well, I've got news for you girl-you look like hell S.S.  
Feeling souped on dope-  
spoon in your hand staring at the sea, staring at the sand  
And I will never know how it came to this S.S.  
Well-I may seem uptight to you  
But I'm right because the shell of pathetic you speaks loud She  
lly Shelly
