

Blam Blam Fever

The Specials

Did you ready the news? I'm a bit confused!
The gun fever is back, the gun fever!
Rudeness and gun is the talk of this town,
The gun fever is back, the gun fever!

Everytime your guinness are start,
It's man shot dead or lookin' at war.
It's the fever, oh the gun fever!
Simples thing is blam blam blam,
What is this in our little island?
It's the fever, the gun fever!

You can know a rude chap, by the way he set his cap,
lord,
The gun fever is back, the gun fever!
The rudie talk is seen, lord, I don't know what it
mean,
The gun fever is back, the gun fever!

Everytime your guinness are start,
It's man shot dead or lookin' at war.
It's the fever, oh the gun fever!
