Hey, Little Rich Girl

The Specials

Mum bought you a fur coat when you were fifteen You wore it to the disco, but everyone was in jeans

But you were a rich girl, and only having fun Your low cut dresses, brought stares from everyone Hey, little rich girl where did you go wrong?

You left for London, when you were nineteen Had to pawn off your nice clothes, just living on dreams

A man in the bright lights took all that you own Now he's taken your freedom for a fate unknown

But you were a rich girl, hardly having fun Your worn out dresses, brought stares from everyone Hey, little rich girl where did you go wrong?

Hey, little rich girl you've been away for so long And now little rich girl, my words are in this song Hey, little rich girl my love for you is gone And now little rich girl, I know where you went wrong

At your dad's office party all the movies were blue Caused him so much heart ache, because the screen star was you

You left for London, when you were nineteen Had to pawn off your nice clothes, but you were living on dreams

You were a rich girl, and only having fun
But your worn out dresses, brought stares from everyone
Hey, little rich girl where did you go wrong?
Hey, little rich girl where did you go wrong?
Hey, little rich girl where did you go wrong?
