

# Housebound

The Specials

Looking at the world, through lace curtains  
Would they like you out there? You're not certain

Scared of walking down the street  
You never know who you might meet  
Or who you might bump into  
They're out there waiting for you

Housebound  
You daren't go out  
Because you're housebound  
You don't want to go out  
Because you're housebound  
There's no way out  
Because you're housebound  
You daren't go out!

Rearrange the ornaments when you're feeling down  
Push the Hoover round and round what a lovely sound!

Housebound  
You're all left out  
Because you're housebound  
You don't want to go out  
Because you're housebound  
You scream and shout  
Because you're housebound  
You daren't go out!

The moths inside the wardrobe  
The mirror on the door  
Love your latest outfit  
That's what friends are for!

Housebound!  
You daren't go out  
Because you're housebound  
You don't want to go out  
Because you're housebound  
You scream and shout  
Because you're housebound  
You don't go out!  
Housebound

You're living in doubt  
Because you're housebound  
You don't want to go out  
Because you're housebound  
There's no way out  
Because you're housebound  
You don't go out!

People calling just distract you from the endless talk  
Of changing channel, brightness, volume, colour and contrast  
There's a curfew on you, you're losing all contact  
You just don't know what to do, You're caught in a housetrap!

Housebound  
You're all left out  
Because you're housebound  
You don't want to go out  
Because you're housebound  
You scream and shout  
Because you're housebound  
You daren't go out
