Dub-i-dub-i-dub-i-dub-dub-dub  
I don't need your love anymore

I don't need you here by my side  
No more, no, no  
And when I feel your love deep inside  
I will forget, oh yeah

So don't you dare come knocking on my door  
When you need someone to hold  
'Cause every door and window is closed  
I can live, live without your love

I don't need your love anymore

You left me, you went away  
Yeah, yeah, yeah, yeah  
And now you say you're back to stay  
No way, no way

So don't you dare come knocking on my door  
When you need someone to hold  
'Cause every door and window is closed  
I can live, live without your love
