

Going around causing disturbances  
Don't you know you'll never win  
You've got your family running around  
Trying to stop you from going down

It's you, that I'm talking to  
It's you, that I'm talking to

Have you heard the latest news?  
About the boy who was shot and abused  
The funny thing is, that's not all  
It was your name that was called

It's you, that I'm talking to  
It's you, that I'm talking to

Now you're accused of being a gunman  
Take your punishment, it's the law of the land  
Now let this be a lesson to you  
Rudy, I'm talking to you

It's you, that I'm talking to  
It's you, that I'm talking to

It's you, that I'm talking to  
It's you, that I'm talking to

You're going around causing disturbances  
Now didn't you know you could never win  
You had your family, they were running around  
Trying to stop you from going down

It's you, that I'm talking to  
It's you, that I'm talking to
