

Rude Boys Outta Jail

The Specials

Rude boys outta jail!
Rude boys outta jail!
Rude boys out on bail!
Rude boys outta jail!

They mess around in every town
But now they've learned the rules
They used to be rough,
They used to be tough
But now they're keeping cool

They don't fight, they look just right
In their tonics and button downs
If you see them around,
Don't put them down
They're the coolest guys in town

Rude boys outta jail!
Rude boys outta jail!
Rude boys out on bail!
Rude boys outta jail!

They mess around in every town
But now they've learned the rules
They used to be rough,
They used to be tough
But now they're keeping their cool
