

Skinhead Girl

The Specials

There she was
Swinging down the high street, yeah
Hair cropped short, butts and perm
I couldn't believe my eyes,
Like a story out of a book
She was my height
My weight
My size
She wore (her braces and blue jeans)

Skinhead girl (4x)
She was mine

I made up my mind
Was gonna be corageous, yeah
Her head on my hand
And touch her gentle
She looked at me
And smiled
I know that was for real
She was my height
She wore (her braces and blue jeans)
