Well

My temperatures rising and my feet left the floor  
Crazy people walking there's a one a call more  
Loving each Baby I don't wanna to go  
But you better take it easy this place is hot (... And I'm)  
So glad me Baby  
So glad me Baby. (... You got)

Gimme some loving (gimme  
Gimme some loving)  
Gimme some loving (gimme  
Gimme some loving)  
Gimme some loving every day.

Well I feel so good everybody is get allright  
You better take it easy cause the place is on fire.  
Then I heard thing and I heard from what you do  
We made it Baby and it have to be you (... And I'm)  
So glad me Baby  
So glad me Baby (... You got)

Gimme some loving (gimme

Well I feel so good everything is get allright  
You better take it easy cause the place is not far  
I feel a hard thing nothing went so good  
Now I'll do just relax while everybody should (... And I'm)
