

## Goodbye Stevie

The Spencer Davis Group

Well I'm leaving baby  
I'm gonna go away from here  
You know I'm leaving baby  
I'm gonna go away from here  
And't even gonna worry  
Ain't even gonna shed a tear

Well I went to see my baby  
Pulled the blind and closed the door  
She said, "Now, goodbye Stevie,  
I don't need you no more."  
She's gone, I mean it here today  
Leavin's so much work cause I know I'm going away

Well I'm leaving  
I'm gonna go away from here  
You know that I'm leaving baby  
Gonna go away from here  
Look out pretty baby  
I ain't even gonna shed a tear

Baby, you're so good, you're so fine  
Baby baby baby baby....  
Look out, you're so good  
Look out baby  
Gonna leave this town for good
