## **Honest I Do**

**The Spinners** 

Whenever you feel your world is falling down Love just can't be found to help you make it through Nothing will do Whenever you feel life turn a back on you And all you wanna do is sit at home and cry My oh my I'll be your friend and lover Comfort you in every way, oh baby I never thought I'd ever love someone The way that I love you Honest, I do need love and you do too Honest, I do need love and you do too, oh Honest, I do need love and you do too Whenever you toss and turn all through the night No, your love life just ain't right 'Cause it follows you, oh girl Whenever a day goes by that you don't cry Oh, why don't you just dry your eyes? I'm here to end your sorrow and wait till tomorrow, baby I'll be your friend and lover Comfort you in every way, baby I'd never thought I'd ever love someone The way that I love you Honest, I do need love and you do too Honest, I do need love and you do too Honest, I do need love and you do too . . .
