The Spinners

Hand me down my walkin' cane, hand me down my hat Hurry now and don't be late 'cause we ain't got time to chat You and me, we're goin' out to catch the latest sounds Guaranteed to blow your mind so high, you won't come down, no

Hey, you all prepare yourself for the Rubberband Man You've never heard a sound like the Rubberband Man You're bound to lose control when the Rubberband starts to jam

Oh Lord, this dude is outta sight Everything he does seems to come out right

Once I went to hear them play at a club outside of town I was so surprised, I was hypnotized by the sound this cats put down When I saw this short fat guy stretch a band between his toes Hey, I laughed so hard 'cause the man got down When he finally reached his goal

Hey, you all prepare yourself for the Rubberband Man You've never heard a sound like the Rubberband Man You're bound to lose control when the Rubberband starts to jam

Got that rubber band up on his toes And then he wriggled it up all around his nose

Guaranteed to blow your mind Playin' all that music yet keepin' time Where in the world did he learn that, oh Lord Oh, help him get away

Hey, y'all prepare yourself for the Rubberband Man You've never heard a sound like the Rubberband Man You're bound to lose control when the Rubberband starts to jam

Rubberband Man, Rubberband Man How much of this stuff do he think we can stand? So much rhythm, grace and debonair for one man, Lord And then he had the nerve to wiggle his left toe To his knee got the feelin' in his head, y'all, ah, come on, baby

Hey, you all prepare yourself for the Rubberband Man You've never heard a sound like the Rubberband Man You're bound to lose control when the Rubberband starts to jam

Rubberband Man starts to jam Movin' up and down across the land Got people all in his ways Everything about him seems outta place

Just move it, just move it, just move, move, move it, just Rubberband, Rubberband Man Just move it, just move it, just move, move, move it, just Rubberband, Rubberband Man Get down, oh, get down, lover
