

Road To Newark

The Spinto Band

Lets hit the road, we can take your car and head for Newark, again,
So turn the stereo up, you know its ok, cuz no ones here, but you, and me,
So lets hit the road and head for Newark,
Cuz you know its not our last time there,
We can hit the mic,
We can hit the road and head for Newark,
We can head to the mainstreet,
Eat at a café and shop for records, and get oldies.
So put your foot to the gas, we'll take I-95 we're there in 30 minutes, or less,
So lets hit the road and head for Newark,
Cuz you know its not our last time there,
We can hit the mic,
We can hit the road and head for Newark,

We can hit the road,
Cuz its not our last time,
We can hit the road,
Cuz its not our last time,
Yeah I know that you can drive we can take I-95
South
We can always hear them play over the east end café
East
We can call my buddy Russ, he would always hang with us
North
And the batteries died on the westside of town
Take it slow
Lets go
