

## All I Ever Loved Was You

The Stanley Brothers

All I ever loved was you  
You broke a heart that cried for you  
I've wasted all my tears on you  
For all I've ever loved was you

Go out and find somebody new  
But you'll be sorry if you do  
You'll never find a love so true  
For all I ever loved was you

Buy her rings and diamonds too  
But you'll be sorry if you do  
You'll never find a love so true  
For all I ever loved was you
