

# Are You Afraid To Die

The Stanley Brothers

Are you a stranger to God  
Carried away with your pride  
Tell me sinner did you ever step to think  
Are you afraid to die

Are you afraid  
Are you unsaved  
Are you afraid to die

Call on him while he's near  
Moments are swift passing by  
Will you seek him where he may be found  
Are you afraid to die

Are you too wicked to cry  
Would you to God's bosom fly  
Soon he's coming like a thief in the night  
Are you afraid to die
