

## How Mountain Girls Can Love

The Stanley Brothers

Get down boys, go back home  
Back to the girl you love  
Treat her right, never wrong  
How mountain girls can love

Riding the night in the high cold winds  
On the trail of the old lonesome pine  
Thinking of you, feeling so blue  
Wondering why you left me behind

Remember the night we strolled down the lane  
Our hearts were gay and happy then  
You whispered to me as I held you close  
You hoped this night would never end
