Life Of Sorrow

The Stanley Brothers

After traveling through this world of sorrow No one on earth to call my friend I'm on my way to old Kentucky Where I met and loved but could not win

I've always loved you little darlin My heart will always feel the same I could never do one thing to hurt you I'd rather die than bring you shame

When that cold dark shroud is wrapped around me They lay my weary head to rest Will you stand around and gaze upon me For I'm the one that loved you best

When your golden hair is turned to silver The master calls your soul to Him Where we can be free from all our troubles I'll meet you there at journey's end
