Nobody's Darling On Earth

The Stanley Brothers

Out in this cold world alone Wandering about on the street Asking a penny for bread Begging for something to eat

I'm nobody's darling on earth
Heaven have mercy on me
For I'm nobody's darling
Nobody cares for me

When I was but a young lad Mother was taken from home Now I have no one to love me No one to call me their own

While others are sleeping so sound Or dreaming of silver and gold I'm out in this cold world alone Wandering about in the cold

If I'm fortunate enough
To get to the Heavenly home
I will have some one to love me
Some one to call me their own
