

## Rambling Letters

The Stanley Brothers

I don't want your rambling letters  
Don't want your picture in a frame  
All I want is you in person  
Won't you let me change your name

Mama said you'd come home soon  
Papa warned me not to wait  
Sister thinks that you still love me  
Hurry home right away

I'm so tired of long distance kisses  
Love by mail is all so cold  
I just want you in my arms dear  
Then our love just can't grow old
