

# Who Will Sing For Me

The Stanley Brothers

I often sing, for those I love  
Who go to live, with Christ above  
No more on earth, their forms I'll see  
When I am gone, who'll sing for me  
Who'll sing for me, when I am gone  
And it won't be long, 'til (when) I'll see  
When I am gone, who'll sing for me

'Til I too, must say goodbye  
Just over there, with Christ I'll be  
Get all my friends, to sing for me

Who'll sing for me, when I am gone  
As I so oft, for friends have done  
And it won't be long, 'til (when) I'll see  
When I am gone, who'll sing for me
