

## A Goodnight's Sleep

### The Starting Line

A better slumber  
Was in your arms  
Spent tangled up in you  
A sudden mourning  
Crashed in the room  
With an uninvited sudden change in you

What can I say?  
Wheres that girl from last night  
Whos slept on that side  
And looks just like you do?

You can sleep in your own bed tonight  
Sleep away a silent pain  
Screaming out my name  
You can sleep in your own bed tonight  
I hope for your sake you dont wake up  
As broken as I am

For a lack of better  
Words to say  
All I said was goodnight  
Once again  
In self defense I wont sleep a wink  
To prevent dreaming of you

You can sleep in your own bed tonight  
Sleep away a silent pain  
Screaming out my name  
You can sleep in your own bed tonight  
I hope for your sake you don't wake up as broken as I am

Sleep in your own bed tonight  
I know some day you will wake up as lonely as I am  
Cause fate works both ways  
Cause fate works both ways  
Cause fate works both ways  
So sleep in your own bed
