

## Are You Alone

### The Starting Line

We're all just everyday people,  
And there's a part of you connected with everyone else  
And there's me and there's you.  
Oh no.  
This plot can get so confusing.  
Oh, if you only knew.  
If I could I'll take you with me but I'm here and you're there.  
Oh no.

Are you alone? Oh no.  
Are you alone?

I'll say it so you can hear me.  
It's a lonely truth:  
"I've been spending all my time by myself without you."  
Oh no.

Are you alone? Oh no.  
Are you alone?

And if you are let me hear it.  
And if you're not make you say to yourself  
You're so lucky as hell.  
Have you ever needed help when you've been all by yourself? (Ye  
ah)  
Have you ever been home when everyones gone?  
Are you alone?  
Oh no.

Are you alone? Oh no.  
Are you alone? Are you alone?  
Are you alone?  
Are you alone? Oh no.  
Are you alone?
