

Left Coast Envy

The Starting Line

Today could be a different day
If the sky lifts up the haze
Off of my front lawn
Or just another time I hold my tears
For another year
On my way back home

Can I sell this sunrise, in return for a sunset? Yeah..
Can I just be here one more day, until my sunburn fades away?

I've asked a hundred times what's going on
But it went through one ear and out the other one
Why can't I take a palm tree home with me?
For the memory of you when I'm at home
I've been looking forward, months back
Vacation's everything we need...

Can I sell this sunrise, in return for a sunset? Yeah..
Can I just be here one more day, until my sunburn fades away?

I'm taking pictures
Of everything
To remind me of the place that's so perfect for me
And I'm taking pictures (taking pictures)
Of everything (of everything)
So go ahead and take this place away from me

Today could be another day
When the sky lifts up the haze
Off of my front lawn
Just another time I hold my tears
For another year
On my way back home

Can I sell this sunrise, in return for a sunset? Yeah..
Can I just be here one more day, until my sunburn fades away?

Can I
Sell this sunrise, in return for a sunset? Yeah..
Can I just be here one more day, until my sunburn fades away?

Can I sell this sunrise, in return for a sunset? Yeah..
Can I just be here one more day, until my sunburn fades away?

Sunburn fades away
