

Nothing's Gonna Stop Us Now

The Starting Line

Looking in your eyes, I see a paradise
This world that I found is too good to be true
Standing here beside you, I want so much to give you
This love in my heart that I'm feeling for you

Let them say we're crazy I don't care about that
Put your hand in my hand, baby, don't ever look back
Let the world around us just fall apart
Baby we can make it if we're heart to heart

And we can build this thing together
Standing strong forever, nothing's gonna stop us now
And if this world runs out of lovers we'll still have each other
Nothing's gonna stop us, nothing's gonna stop us now, oh no

I'm so glad I found you, I'm not gonna lose you
Whatever it takes to stay here with you
Take it to the good times, see it through the bad times
Whatever it takes is what I'm gonna do

Let them say we're crazy, what do they know?
Put your arms around me, baby, don't ever let go
Let the world around us just fall apart
Baby, we can make it if we're heart to heart

And we can build this thing together
Standing strong forever, nothing's gonna stop us now
And if this world runs out of lovers we'll still have each other
Nothing's gonna stop us, nothing's gonna stop us now

Oh, all that I need is you, all that I ever need
All that I want to do is hold you forever, forever and ever

And we can build this thing together
Standing strong forever, nothing's gonna stop us now
And if this world runs out of lovers we'll still have each other
Nothing's gonna stop us, nothing's gonna stop us now

And we can build this thing together
Standing strong forever, nothing's gonna stop us now
And if this world runs out of lovers we'll still have each other
Nothing's gonna stop us, nothing's gonna stop us now
