## Nothing's Gonna Stop Us Now

## **The Starting Line**

Looking in your eyes, I see a paradise This world that I found is too good to be true Standing here beside you, I want so much to give you This love in my heart that I'm feeling for you

Let them say we're crazy I don't care about that Put your hand in my hand, baby, don't ever look back Let the world around us just fall apart Baby we can make it if we're heart to heart

And we can build this thing together Standing strong forever, nothing's gonna stop us now And if this world runs out of lovers we'll still have each othe r Nothing's gonna stop us, nothing's gonna stop us now, oh no

I'm so glad I found you, I'm not gonna lose you Whatever it takes to stay here with you Take it to the good times, see it through the bad times Whatever it takes is what I'm gonna do

Let them say we're crazy, what do they know? Put your arms around me, baby, don't ever let go Let the world around us just fall apart Baby, we can make it if we're heart to heart

And we can build this thing together Standing strong forever, nothing's gonna stop us now And if this world runs out of lovers we'll still have each othe r Nothing's gonna stop us, nothing's gonna stop us now

Oh, all that I need is you, all that I ever need All that I want to do is hold you forever, forever and ever

And we can build this thing together Standing strong forever, nothing's gonna stop us now And if this world runs out of lovers we'll still have each othe r Nothing's gonna stop us, nothing's gonna stop us now

And we can build this thing together Standing strong forever, nothing's gonna stop us now And if this world runs out of lovers we'll still have each othe r Nothing's gonna stop us, nothing's gonna stop us now
