### The Starting Line

I guess the most that I can do  
Is make a call and tell you the truth  
Sing the words in melody  
And hope that you'll believe me  
Here's another song for you  
So this one this one makes two  
I still don't know where to begin  
I'll just leave it at this

I'm sure you always feel my eyes on you  
But I hope that you will never feel unwanted

R: Wait for me to move out west  
It's ok if you don't  
I hope you know  
You're my favorite thing  
About the west coast  
I wish I stayed  
I hope you wait  
So here I am  
Counting down the days  
Till california comes

This is the least that I can do  
You know I'm bad at calling you  
The best way I can extend  
The lonely words I miss you  
I'll say it but I'm sure you knew  
You're what I look most forward to  
Coming back to where i've been  
I'll just leave it at this

I'm sure you always feel my eyes on you  
But I hope that you will never feel unwanted  
If you feel unwanted

R: (2x)

Till california comes
