The Starting Line

I guess the most that I can do
Is make a call and tell you the truth
Sing the words in melody
And hope that you'll believe me
Here's another song for you
So this one this one makes two
I still don't know where to begin
I'll just leave it at this

I'm sure you always feel my eyes on you
But I hope that you will never feel unwanted

R: Wait for me to move out west
It's ok if you don't
I hope you know
You're my favorite thing
About the west coast
I wish I stayed
I hope you wait
So here I am
Counting down the days
Till california comes

This is the least that I can do
You know I'm bad at calling you
The best way I can extend
The lonely words I miss you
I'll say it but I'm sure you knew
You're what I look most forward to
Coming back to where i've been
I'll just leave it at this

I'm sure you always feel my eyes on you
But I hope that you will never feel unwanted
If you feel unwanted

R: (2x)

Till california comes
