### The Starting Line

You've made quite a life for yourself  
One better than you've dreamt  
But it's weighing down  
The sides of your mouth  
To an appearing frown  
There's more to it  
Than it might sound

Sharpen your overacting skills  
To cut through the tension  
Mark your words  
With confidence:  
Selective attention

Try and steady yourself  
But with one hand down  
Losing balance  
Take a look at your hometown  
You're a different person now  
Only one who hasn't changed  
Only one who's stayed the same

Sharpen your overacting skills  
To cut through the tension  
Mark your words  
With confidence:  
Selective attention

Make it a point to appreciate the life you lead  
Don't rush the days you'll  
Wish they stayed for one year later

It's a tragic case of bad taste  
But it's all concerning you  
Who truly can appreciate the  
Mess you've made

Sharpen your overacting skills  
To cut through the tension  
Mark your words  
With confidence:  
Selective attention
