

## This Ride

### The Starting Line

It says hold on and take this ride  
And set aside  
Memories of all the times  
When you collide  
Then you'll leave me here to die  
Heres the things I meant  
But I never said

It says sit back and take this time  
To lose your mind  
And find out what its like to die  
So wheres my spine  
When its time to give an obvious and simple reason why  
I won't ride again

What do you see  
When you look at me..  
Do you take me for a fool

So what makes you play this game  
With results always the same  
And nothing but bad reputations to gain  
It speaks to me like all is fine  
When I could cry  
From all the bends and breaks that I  
Took this time  
When happiness is based on lies  
Its so hard its too hard to tell the truth

What do you see  
When you look at me  
Do you take me for a fool  
(this fool is through)

This fool is through  
This fool is through

What do you see  
When you look at me  
Do you take me for a fool

What do you see  
When you look at me  
Do you take me for a fool

It says hold on and take this ride  
And set aside  
Memories of all the times  
When you collide  
Then you'll leave me here to die  
Heres the things I meant  
But never said
