

Atlanta Blue

The Statler Brothers

I'm dreamin' of you
And that makes me
Atlanta blue, blue, blue

Just a name I remember
Just someone I used to know
Someone I never quite got over
A long long time ago

I'm Atlanta blue
Wishin' I could be with you
Summertime in Georgia
I'm dreamin' of you
And that makes me
Atlanta blue, blue, blue

Don't wipe away my memories
By makin' all my dreams come true
The way it was always seems better
So, let me keep on missin' you

I'm Atlanta blue
Wishin' I could be with you
Summertime in Georgia
I'm dreamin' of you
And that makes me
Atlanta blue, blue, blue

And that makes me
Atlanta blue
