Blue Eyes Crying In The Rain

The Statler Brothers

In the twilight glow I see her blue eyes crying in the rain As we kissed goodbye and parted I knew we'd never meet again Love is like a dying ember only memories remain Through the ages I'll remember blue eyes crying in the rain Now my hair has turned to silver all my life I'd loved in vain I can see her star in heaven blue eyes crying in the rain Some day when we meet up yonder we'll stroll hand in hand again In a land that knows no parting blue eyes crying in the rain Blue eyes crying in the rain
