## **Faded Love**

## **The Statler Brothers**

As I look at the letter that you wrote to me it's you that I am thinking of As I read the lines that to me were so dear I remember our fade d love I miss you darling more and more every day as heaven would miss the stars above With every heartbeat I still think of you and remember our fade d love As I think of the past and all the pleasures we had as I watch the mating of the dove It was in the springtime that you said goodbye I remember our f aded love I miss you darling And remember our faded love
