

# He'll Always Have You Again

The Statler Brothers

I'll love you as if tomorrow is not coming  
And you'll cry as if your heartache will never end  
I can't let you go is what you'll end up saying  
Knowing he'll always have you again

So you leave him and then you come to me for something he doesn't give you  
And you want me to be the piece to fit the puzzle he holds you to  
And you know it's wrong to leave him and you know you shouldn't want me  
But what is a man supposed to do

I'll love you as if tomorrow is not coming  
And you'll cry as if your heartache will never end  
I can't let you go is what you'll end up saying  
Knowing you'll always have him again  
And you know it's wrong to leave him and you know you shouldn't want me  
But what is a man supposed to do when all I have is you
