

# I'll Be Your Baby Tonight

The Statler Brothers

Close your eyes close that door you don't have to worry anymore  
Cause I'll be your baby tonight  
Dim the lights draw the shades honey you don't have to be afraid  
Cause I'll be your baby tonight everything's all right  
Old mockingbird's gonna sail away we'll just forget it  
And the big bad moon's gonna shine like a spoon  
We're gonna let it you won't regret it  
Kick your shoes off mama have no fear bring your sweet self right over here  
Cause I'll be your baby tonight  
Cause I'll be your baby tonight
