I'm Sorry You Had To Be The One

The Statler Brothers

I'm sorry you had to be the one
To say I'm sorry to me
I'm sorry is never easy to say
And alone's never easy to be

After all the things I've done in my life
Some good but mostly bad
It doesn't seem fair, you slip just once
And give up all we had

I'm sorry you had to be the one
To say I'm sorry to me
I'm sorry is never easy to say
And alone's never easy to be

You're not in this all by yourself
I've been there too many times
Don't be too hard and down on yourself
'Cause most of the blame is mine

I'm sorry you had to be the one
To say I'm sorry to me
I'm sorry is never easy to say
And alone's never easy to be

I'm sorry you had to be the one
