

Just Someone I Used To Know

The Statler Brothers

There's a picture that I carry one we made some time ago
When they ask who's in the picture with me I say just someone I
used to know
Just a girl I used to spend some time with just a flame from long ago
I don't tell them of the nights I've cried without you
I say just someone I used to know
[fiddle]
Just a girl I used to run around with just a spark that's lost its glow
I don't tell them how lost I am without you
I say just someone I used to know I say just someone I used to know
I say just someone I used to know
