

# Streets Of Baltimore

The Statler Brothers

I sold the farm to take my woman  
Where she longed to be  
We left our kin and all our friends  
Back there in Tennessee

I bought the one way tickets  
She had often begged me for  
That took us to  
The streets of Baltimore

Her heart was filled with laughter  
When she saw those city lights  
She said, "She prettiest place  
On earth is Baltimore at night"

A man feels proud to give  
His woman what she's longing for  
And I kind of liked  
The streets of Baltimore

I got myself a factory job  
I ran an old machine  
We bought a little cottage  
In a neighborhood serene

But every night when I came home  
With every muscle sore  
She'd drag me through  
The streets of Baltimore

Her heart was filled with laughter  
When she saw those city lights  
She said, "The prettiest place  
On earth is Baltimore at night"

A man feels proud to give  
His woman what she's longing for  
And I kind of liked  
The streets of Baltimore

I did my best to bring her back  
To what she used to be  
But soon I learned she loved  
Those bright lights more than me

Now, I'm a going home on that same train  
That brought me here before  
While my baby walks  
The streets of Baltimore  
Yes, my baby walks  
The streets of Baltimore
