

# Too Much On My Heart

The Statler Brothers

You're having second thoughts  
I can tell by the way you look at me  
I can tell by what I see  
That you no longer believe in me

I'm havin' bad dreams can't seem to get back  
To where we used to be  
Sometimes it feels like we're worlds apart  
And I've got too much on my heart

I've got too much on my heart  
And I don't like to feel the pain  
And I don't know where to start  
To make you love me once again

I don't have time to make you understand  
Lord this thing is gettin' out of hand  
Pain shoots through me like a dart  
And I've got too much on my heart

Don't be so cold to me  
I know you've changed but it's still hard for me  
It's too late I realize  
I can see it in your distant eyes

You needed all of me  
But I can't be there like I used to be  
And Lord, it's tearin' me apart  
'Cause I got too much on my heart

I've got too much on my heart  
And I don't like to feel the pain  
And I don't know where to start  
To make you love me once again

I don't have time to make you understand  
Lord this thing is gettin' out of hand  
Pain shoots through me like a dart  
And I've got too much on my heart
