

Yesterday Never Tomorrows

The Stills

My looks pushed too far, I'll get wrecked in some bar
I've lost it, my foot's on a nail

The dark winter snows bright, please stay here tonight
I'll cry my face straight through my pillow

Some things last forever, why can't this last forever
Nothing lasts forever, I hope this lasts forever

More sex, more goodbye's
I love you and I won't let myself let you go

Some things last forever, why can't this last forever
Nothing lasts forever, I hope this lasts forever
